SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

After an amazing layout with Diamond Kitty in the last issue, I had to write. I was mesmerized by her perfectly large boobs and splendid ass cheeks as they posed for the camera. I also worshiped those big naturals in eager anticipation of the big reveal from her bra. I love how she teased and eventually unleashed her perfectly nice ripe melons, and it was well worth the wait as I turned the pages. Fortunately my wife has large boobs and I love to motorboat between them. I also love Diamond's pert nipples that fit perfectly in the center of her areolas which fit perfectly in the center of her perfectly large breasts. Please don't stop giving us big t girls. They are the stuff sex is made for.

– Ricky, Baltimore

Madison is one amazing babe and I'm sure she loves all the attention that she probably gets. She knows how to pose and how to fuck. I know she got a breast enhancement and it suits her very well. I think the size and look of them is just when the doctor ordered. This hottie not only has amazing boobs but a great ass as well. It's the perfect place to splash some splooge all over it. I have watched all the videos I can find of her. She seems to like doing it in a boat load of different positions which never gets old. But I do have to say, I wish she would do anal or at least more anal scenes. I'd love to see her tight little starbud get reamed and stuffed with a big cock. I wish it was mine, but I'm fine just watching her. Keep up the good work guys, and let's have more of Miss Ivy!

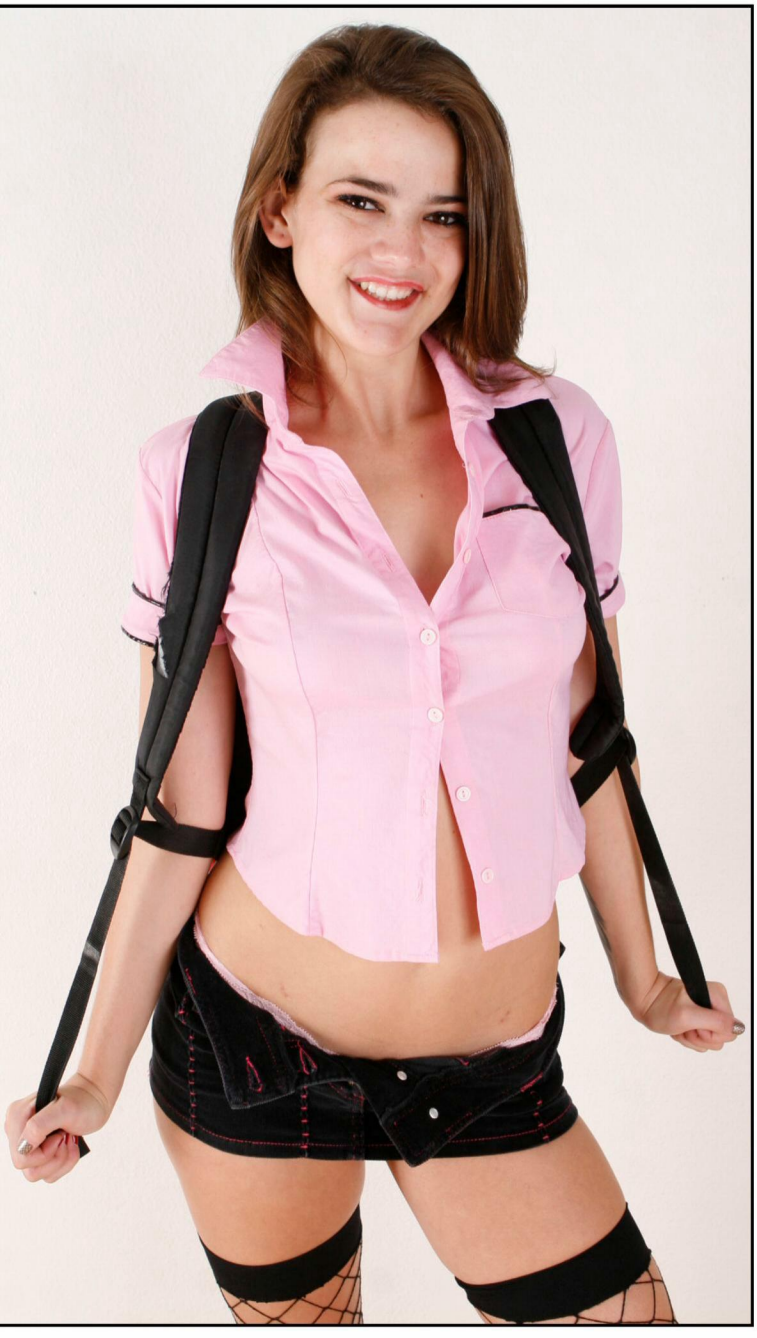
WHAT'S PURPLE AND SLIDES EASILY INTO MY PUSSY?

HERE'S TO BEING AT THE RIGHT PLACE FOR A HOT TIME

Guys have this ongoing fantasy about their babysitter, and fucking the living daylights out of her. These are stories shared with guys and girls over a few beers and deep dish pizza where a few mild exaggerations are often told.

Bopping the babysitter and feeding her some major meat



College ended for the year and I'm now home and bored. My parents are cool, but it's probably going to be another long boring summer. So I took a job at the local supermarket to make some extra money. As I was bagging our neighbor's food, he looked over at me after paying the cashier and seemed surprised to see me. I told him I was working at the store to make a little extra cash.

He left and after another customer, I went outside to round up the shopping carts. Mr. Smith had parked next to the cart corral. As he brought his over, he asked me if I was interested in babysitting a couple times a week. I said that would be great. We set it up for next Friday night at 5 pm.

I had gone to babysit for the Smiths on the wrong night. Instead of finding them at home, I accidentally walked in on Mr. Smith sitting in the family room, masturbating to a porn video. His wife and kids were out shopping and wouldn't be home until later.

"Would you like to touch it?" Mr. Smith asked, noting my wide-eyed astonishment as I stared at his erection. He sort of pushed it into my hand, and I held it lightly and squeezed it, feeling it swell and throb in my palm. It was way thicker than my boyfriend's and several inches longer. The head was bulging and reddish, and a gooey drop of pre-cum oozed from the tip.

He settled back on the sofa, and I sat next to him as if my right hand was attached to his cock. I'm a small girl, only five feet tall and 90 pounds, but I'm toned and healthy, and I could tell Mr. Smith appreciated my body by the way his hand started rubbing my leg. I was wearing loose gym shorts,

so he was able to run his fingers right up under the material. When his finger started probing at my cotton panties, I felt a juicy flow of tingles deep in my pussy. I was already excited by the look and feel of his big, man-sized cock, and when his middle finger sluiced up my little hole, I moaned and spread my legs wider.

"Have you ever been fucked, Tara?" he asked, fingering my tight snatch.

"Of course!" I said, as if the question were silly. I made it sound like I was way experienced, but the fact was that I had only just done it for the first time with my boyfriend a few weeks back after my eighteenth birthday.

I stared at Mr. Smith's huge cock, stroking it up and down, unable to fit my fingers entirely around the bulging shaft. I couldn't help wondering if my tender little pussy could take such a monstrously huge organ, but the thought of it was like a challenge. "Would you like to fuck my tight pussy?" I asked.

He got this goofy grin, and the next thing I knew, he slipped off my shorts and panties and directed me to kneel on the couch with my butt stuck up in the air facing him.

"Oh, lord, that's fantastic," he said. I felt his big poker rubbing against my soft, rounded ass-cheeks. It felt like he was sliding a rolling pin over my ass, it was so thick and long. He leaned into me, bunching his hands up under my T-shirt and feeling my small, firm little boobs. "Are you ready for me?"

"Yes," I sighed, rotating my ass back against his cock. I felt the fat head push against my opening. He grabbed my hips for balance and shunted the oozing tip forward.

"Oh, Mr. Smith," I gasped, clutching the throw pillows with both hands. "I think it's too big!"

"Just relax," he said in a smooth voice that took all my worry away. The pressure kept building, but a few seconds later, my pussy slowly started to fill with cockmeat. I could feel my tender walls expanding around him as he penetrated my narrow tunnel, riding into me steadily and firmly, helped along by my own wetness. It felt like it would never stop gliding in, and the sensations that buzzed through my crotch flashed out to the rest of my body. Just when I felt like I couldn't take any more of him, his hairy balls mashed against my smooth ass-cheeks. I

knew that my pussy contained every millimeter of his enormous prong.

"Shit! You're so fucking tight!" he grunted, holding himself still, allowing my little pussy time to adjust.

I never felt so packed and full in my life. It literally took my breath away. The only thing I could do was make these little cooing sounds. He started to build up a slow rhythm that soon had me tossing my ass back at him with reckless abandon.

"Oh, yeah. Fuck me, Mr. Smith!" I cried out, amazed that I had not only adjusted to the massive intrusion, but had also responded by urging him to drive into me deeper and harder. I felt little jolts of lightning as he began to pound into me with renewed vigor.

"Yeah, baby, I'll fuck you good!" he said, plowing into me with full force.

His balls were slapping loudly against my butt as my pussy caught fire and started to spasm and squeeze his thrusting cock. I had never climaxed with a cock inside me, and it was the greatest feeling in the world, like an explosion of firecrackers in my hot pussy. He made me come at least three times, fucking me like some hard-driving machine, his cock so wet and slick from my juices that it made a squeaky, sloppy sound with every stroke.

"Does your boyfriend fuck you like this?" he asked.

"Oh, god, no," I cried out as he palmed my buttcheeks and slammed down hard with his cock.

We changed positions, this time with me on my back. Mr. Smith looped my legs back so that my feet were pressing into the sofa by my ears. Then he really went to town, jamming me like some speed freak until I finally saw his face redden and his neck muscles get all stiff. Then his cock started to spurt cum deep into my pussy, and I came again just from how intense it all felt. He was gasping and sweating like he had run a marathon by the time it was over.

I curled up in his arms afterward, but then things got confusing because Mrs. Smith pulled into the driveway and we had to scramble like crazy to get dressed.

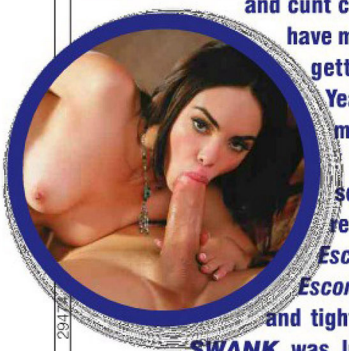
PORNSTAR INTERVIEW

Cootchie Caliente!



In 2010, this hot, Latina piece of scorching ass was signed to Digital Playground's prestigious contract girl roster, and since then, her uninhibited cock and cunt crusades before the camera have made a strong case for Rose getting "Newcomer of the Year" consideration at the major awards shows.

If seeing this cock-crazy senorita at her dirtiest—get ready for latest DP releases, *Escaladies 2, Foreigner,* and *Escort*—where her plump lips and tight pussy take center stage. *SWANK* was lucky enough to catch up with the Cuban cutie about her first squirting scene, what other contract star gets her off, and what exactly it is about cum that makes it taste oh-so-good.

When I'm alone, I fantasize about a huge cock in my tight, little pussy!

SELENA ROSE

By Mary Carey

SWANK: *Aside from the major releases from Digital Playground, you are most known for your work in the Latina niche,* Escaladies *series. How would you describe the experience of working on that series?*

Selena: I enjoyed making this series so much. Even the name is sexy– *Escaladies*. And the girls are gorgeous! Latina, Ariella Ferrera, is my slutty older sister living her wild life and teaching me how to get money the way she does. She's so hot and slutty! My other sister in the movie is Ann Marie Rios. She acts all innocent, but really she wants to be all slutty and loves cock as much as Ariella. I always get what I want, so I leave Anne Marie to live with Ariella and have wild sex and get money. It's a hot series with lots of hot sex!

SWANK: *In the Digital Playground flick,* **Sneaking Around**, *your pussy squirted during one of your sex scenes. Did you plan on squirting on camera, or was it something that happened spontaneously?*

Selena Rose & Erik Everhard in *Escaladies 2* (2011)

Selena Rose & Marco Banderas in *Escaladies 2* (2011)

Selena: It happened without planning. That was the first time I ever squirted in general. I had so much fun in *Sneaking Around*. I love all the movies I do with Digital Playground!

***SWANK:** Have you had much experience squirting off camera?*
Selena: Now, I squirt all the time! It feels so good. I'm getting to know my body more with time, and just becoming more sexual.

***SWANK:** What was the first scene you did where you were actually able to reach an orgasm?*
Selena: It was hard for me at first to feel okay with the camera around, but now I'm used to it. It really gets me off knowing that people are watching my scenes and enjoying themselves. I love it!

***SWANK:** One of your hottest scenes has to be the group sex scene in* **Top Guns** *when you performed with the other contract girls. Were you nervous performing with the other contract girls? Were you able to get off during that scene?*
Selena: I wasn't really nervous, I was excited—and I got off like crazy!

***SWANK:** You have beautiful lips and your blowjob scenes are as hot in any in the business. Does sucking dick turn you on?*
Selena: I get turned on very much when I suck cock. It just feels good to have my big lips wrapped around a big, hard

I like taking it in my mouth. It's so sexy to feel it go down my throat in shots.

boy toy. I get so wet, and my pussy tingles. I just wanna suck it and fuck it.

SWANK: ***Do you like the taste of cum, or do you prefer taking facials to swallowing?***
Selena: I like taking it in my mouth. I just feel like it's so sexy for a man to give me his power, and feel it go down my throat in shots.

SWANK: ***In another one of your more recent movies—*** **Foreigner**—***you perform some amazing sex scenes and do a great job with the acting. Do you enjoy acting on camera, or would you prefer to just have sex when the camera is rolling?***
Selena: *Foreigner* is a sexual, spicy movie, and I love it. I dance, I fuck two fine guys, and get to work with my director, Robby D. He makes acting so much easier for me. I'm always learning and improving. Sex and acting just go together for me now.

SWANK: ***In*** **Foreigner**, ***you play a stripper. Do you have real life experience as an adult dancer?***
Selena: Not really. I stripped one day with one of my girlfriends, but it wasn't my thing at the time. Later on in my career, I would definitely feature dance around the world, and show people my sexy dancing skills, and erotic face and Cuban body! I love to be in the spotlight. I would love dancing as a feature performer.

SWANK: ***Do you ever masturbate thinking about a scene you shot, or someone you worked with on camera?***
Selena: I play with my body and touch myself all over. When I'm alone, I fantasize about Kayden Kross's body and pretty lips. I get so turned on! I think about Nacho Vidal's huge cock in my tight, little pussy! I just fucking cum to those sexy bitches.

SWANK: ***We're also very excited about your latest movie–*** **Escort**. ***Can you tell us what that movie is about, and the part you play?***
Selena: Well, in *Escort*, I'm a high-priced escort and Kayden Kross hires me to fuck Tommy Gunn—her husband—and I definitely do. I'm just a slutty, horny bitch. My movie, *Escort,* is a must-see porno.

SWANK: ***If a man is looking to give you an unforgettable orgasm, what is the most important thing he needs to know about you and your private parts?***
Selena: My neck is sensitive, and so are my tits. A huge cock always makes me cum, too.

SWANK: ***What are the best places for our readers to find you online?***
Selena: Follow me on twitter *@Selenarosedp.* I post nudes all day and night. I love my fans! Oh, and buy my flicks online at: *Digitalplayground.com*!

MY PUSSY'S A PERFECT FIT FOR THIS COCK

Wishful Thinking

Kagney Linn Karter

A treasure of another name is Kagney Linn Karter. In Texas they raise ‘em hot and horny, and Kagney’s the perfect example. Now a veteran of the adult business, her reputation is second to none with a solid work ethic, and a mouth and body ready to take on all cummers.

Wishful Thinking

Kagney Linn Karter

Us: Hello Kagney. It's been three long years since we met at a Valley party, but I was a bit of a wallflower back then. But before I begin, thank you for your time, and congratulations on your amazing success.

Kagney: Hi, I kinda remember. We said hello at the buffet, didn't we? And thank you for the nice compliment.

Us: No... thank you. I'm amazed you remember. There have been things on my mind as I've watched you over the years. I'd love to hear your comments. It won't take too long. First... the most obvious... What do you like about having sex with both guys and girls?

Kagney: I love the female body. The soft skin and round curves. They are a big visual turn on for me. I love watching girl on girl sex as much as being involved in it. As for guys... they can be a lot of fun (winks).

Us: Is there a time that you decided this business is for you?

Kagney: Not really. I wasn't that sexually active until I moved out to Los Angeles. The people you meet here! I started slowly with nude photo shoots, then a mini movie, and then I signed with an agent, and that got me a lot of work and exposure.

Us: Would you share your best experience with us?

Wishful Thinking

Kagney Linn Karter

Kagney: I try to make them all the best. My libido is hi–rev so I get lost in the act. It's all about pleasure, and making a little money.

Us: Have you ever had a bad experience?

Kagney: No really. Of course there are assholes in this business, but we girls talk and so you learn to avoid them as much as possible.

Us: Do you consider yourself as being sexually dominant or submissive?

Kagney: With girls, I see us all as equal on set, unless I'm asked to be more dominant. With guys, I like to be a little bit more submissive.

Us: You've got a great body and sure know how to use it. Do you like being naked and showing your stuff?

Kagney: Yes. I like my body now, and I'm comfortable with the nudity. As I began in the business, I was shy, and amazed at the size of some of the guys' cocks. Their erections are obvious, but we ladies have more hidden parts. I'm okay with showing pink. It's a must.

Us: Now that you've mentioned large cock sizes, are you a size queen?

Kagney: No, not really. But it was hard in the beginning to get used to the really thick cocks more than the longer ones. But now, I can handle them both with ease. Sometimes when I haven't had anal sex for a while, I may need a little more lube back there to be comfortable.

Us: Does a guy's size affect the size of your dildos?

Kagney: I've never had a question put that way before, but I'd have to say no. I have different size vibrators that I use depending on the mood I'm in. But dildo's, I have a soft eight incher that is my favorite. I think that fits my pussy the best. On set I use whatever the scene calls for.

Us: Do you like to masturbate at home or do you get enough at your work.

Kagney: For me, it's never enough. I do like to finger myself and use toys when I'm in the mood. In a good week, I'll do it at least once every day. If I haven't worked for a couple weeks or a month, the frequency really goes up. Sometimes I'll even call up a girlfriend if I'm really horny and don't feel like fingering myself. We'll sip some wine and sit on the sofa naked. Then we'll start with a small kiss until the passion increases and slowly begin to finger each other. The best part is that there's no rush or someone barking out orders to break your focus.

Us: Thank you for your time Kagney. You're a real doll.
